

## Friends of the Italian Heritage Foundation

Our “Friends” program is a community-wide initiative of the Italian Heritage Foundation. It is a unique opportunity to further broaden/enhance individual participation in a highly respected organization nearly a half-century in existence.

“We give honor to our heritage by giving back to the community, removing barriers to education that young people face through scholarships and other programs” is an opportunity for “Friends” to further our mission and join forces to continue giving students a chance to successfully complete their education.

By joining us as a member, and helping the children in our community, you will be invited to several events throughout the year, where you can network with other organizations in a social atmosphere. These functions are enjoyable, rewarding and beneficial to all who participate.

As a member, you will get pre-invites to our Annual Scholarship Gala, Raffle Fundraiser and Golf Tournament. Throughout the year, we also host several family functions to encourage the younger generation to understand the importance of their heritage and the importance of giving back to the community. These successful events help us achieve our goal of raising money for our Scholarship Program.

We look forward to another successful year and your help makes this possible. The annual membership fee is \$150.00. If you are interested in joining our “Friends” program, please fill out the following form and send it to:
